Hello Parents & Students of Eugene Reimer School!

We hope that your summer has been restful, relaxing, and safe! The purpose of this newsletter is to provide some information that should help you plan and organize for the new school year. The safety and well-being of our staff and students continue to be paramount. After a year of being in Stage 2 of learning during COVID-19, we are planning for a regular return to school on Tuesday, September 6, 2022.

***Class lists will be posted on
the windows at the front of
the school on Friday,
September 2nd after
4:00 p.m.***

Principal's Message ...

I would like to take this opportunity to introduce myself to the new parents who do not know me yet. I grew up on the North Shore of Vancouver before earning degrees in History, Geography, Urban Planning and Education at Simon Fraser University. After that, I continued my education by earning a Master's Degree in School Administration from Western Washington University, as well as a Doctorate in Education Leadership and Policy Studies and a Certificate in Restorative Justice from SFU. I have a long history in Abbotsford, as I have taught at several schools in the District since 1998.

I look forward to building on the cutting-edge programs at Eugene Reimer that were started last year. With a focus on project-based learning, community development, athletics, a strong Band/Music Program, and a Soccer Academy, it is our goal to offer a program of interest for every student! Check out our website to see all the programs and clubs we offer.

I am ecstatic to be back at Reimer as I was on staff the very first year the school opened. Reimer is truly my home. This being my 18th year as a Vice-Principal and Principal, I am excited to be your child's Principal. Eugene Reimer Middle is recognized as a highly effective learning environment. Through hard work, our students perform at the top of all middle schools in the District as well as throughout the province. – *Dr. I. Levings*

Vice Principal's Message . .

I would like to take this opportunity to introduce myself to all our Reimer families. I grew up in Abbotsford and attended Fraser Valley college and then transferred to university in the United States, earning a degree in Psychology from the University of Utah and a degree in Education at Brigham Young University. After that, I taught for 24 years locally and continued my education by earning a master's degree in School Administration from Western Washington University. During my teaching career in Abbotsford, I have had the privilege of teaching at 4 different elementary and middle schools since my career began in 1994.

This will be my 5th year as a Vice-Principal, and I am excited to be your child's Vice Principal. As Mr. Levings stated above, Eugene Reimer Middle is recognized as a highly effective learning environment and I look forward to working with your student this upcoming year. – *Mr. S. Peters*

GENERAL INFORMATION

Supplies List

The supplies list is available on the Eugene Reimer Middle's school website:
<https://eugenereimer.abbyschools.ca/node/56321>

Lockers will not be assigned the first week of school, therefore, it is NOT necessary for students to bring all their supplies to school on the first day. Please do not bring your laptop until your teacher tells you to.

Closed Campus

During the school year we have a closed campus for the safety and security of our students. This means that students are expected to stay on campus **at all times** (including lunch time), unless previous arrangements are made with the school by the parents or guardians. All visitors (including parents) to the campus are expected to check in at the office upon entering the building.

Attendance & Late Arrivals

A reliable indicator of student success is consistency of attendance at school. Students who have good attendance experience greater academic success in school and personal success later. We will do whatever we can as a teaching community to ensure that your children are engaged in interesting and demanding learning experiences designed to arouse their curiosity and prepare them for academic and personal success after they leave Eugene Reimer Middle.

We take the tracking of students' attendance very seriously:

- Ensure that your children arrive on time to school - students who are late create disruption to the learning environment for others and often find it uncomfortable arriving to a class when it has already begun.
- Ensure that the office is notified of absences and/or lates with a phone call or a note from a parent or guardian. Please report student absences online using "[Safe Arrival](#)" offered through the School Messenger app.
- Remind your child to sign-in at the office if they come late to school.
- If your child needs to leave school early for any reason, please send them with a note for their teacher that can be forwarded to the office when they leave.
- If your child needs to leave school early and does not have a parent note, we will attempt to call his/her home.
- If you are here to pick up your child(ren) we ask that you come into the building to ensure that the child is leaving with a parent or guardian.

Parent Involvement

We welcome your involvement and participation in the life of Eugene Reimer Middle School. We have a developing tradition of parental volunteerism at our school. This is a tradition we want to continue. We also welcome your help and participation on our Parent Advisory Committee (PAC). Our PAC president is Sam Eidsness; Vice-President is Gurpal Bamara; Secretary is Amy Dhanjal and our Treasurer is Rupi Kandola. Come meet other parents and find out how we can support our children during these important and formative years. Please contact Mr. Levings (Principal) if you have an interest in visiting the school during the instructional day and observing our learning community in action.

Student Fees

In accordance with District Policy AP-317, Student Fees: 3.3 Student Activity Fee for Middle and Secondary Schools: The student activity fee covers costs such as student agendas, guest speakers, student identity cards, school events, student recognition, student leadership, locks and locker rentals.

We ask that all parents/guardians to pay their child's fees electronically through the District's online payment system (<https://abbotsford.schoolcashonline.com>). Receipts are automatically available through this online account as soon as your payment is processed. Directions to set up your School Cash account are attached, and we are willing to help at the office if you have any problems.

Finally . . .

The office will return to normal office hours Monday to Friday beginning Tuesday, September 6th. Should you have any questions, please visit the link <http://eugenereimer.abbyschools.ca> or call the school office. All updates will be put under the "Announcements" section of the website. Also, we are on social media: Facebook and Instagram .

We hope you're looking forward to the new school year . . . we certainly are!

Proudly,

Mr. Levings, Principal & Mr. Peters, Vice-Principal

2. Parking is only permitted in designated parking area.

4. Do **NOT** leave your car unattended in the pickup or drop off area.
5. Please pull ahead as space opens up to keep the flow of traffic moving.
