- Grade 7's have 2 teams playing at the same time; each school should have at least 12 players.
- Standings are not recorded but we normally keep score.
- Coaches decide on 2 games to 25 and switch, or 3 games to 15 and switch; try to be done by 4pm
- 5 successful serves = rotate. Can play triple ball if coaches from both schools agree.
- Regular grade 8 volleyball rules apply. We try to encourage students to serve from the serving lines but often allow one or two steps over, due to small gyms. Coaches, if there are concerns, please discuss them before the game starts.
- Students who play in the competitive tournament shouldn't play in the developmental tournament; you should bring at least 10 players to each tournament. (Each school has one team for the tournament.)
