4:00 - 4:25	Chief vs Clayburn

Rules and Expectations:

- Host sites will run games from 3:00 – 5:00 (boys until 4:30)
- Each game will run for 25 minutes. The score will not be kept. This is a developmental tournament. **If both schools agree to run triple ball, that would be great for student development.** Parents can help toss the ball if needed to help facilitate this.
- Schools will split their squads in half and play on **both courts (teams should have min 12 players)** against their opposition during their assigned time. **Teams can bring their entire roster** to play day if they want. (NO 20 player max). Teams **only** need to be present during their assigned time to reduce the amount of supervision and to be mindful of families and coaches' busy schedules. Please have your team ready to go on time.
- Please have students in their athletic clothes to reduce the need to use the change rooms.
